

AA-1: DEPARTMENTAL ADMINISTRATIVE EXPENSE ASSESSMENT ESTIMATES

A. PURPOSE

In accordance with Section 36-30, Hawaii Revised Statutes, the Director of Finance is authorized to assessments for the pro rata share of administrative expenses incurred by the department responsible for the operations supported by each special fund.

The Department of Budget and Finance (B&F) compiles and reports the State of Hawaii's revenues to the Council on Revenues in accordance with Section 37-111, Hawaii Revised Statutes. Estimated special fund departmental administrative expense assessments are included in B&F's general fund non-tax revenue report.

B. GENERAL

This form must be completed for all reporting of special fund revenues for estimating departmental administrative expense assessment purposes.

Dept. Name - Enter department name.

Program I.D. No. - Enter Budget Program Identification Number.

Date - Enter date of preparation.

Prepared By - Print Preparer's name.

Phone - Preparer's phone number.

Name of Fund - Enter statutory name of special fund.

Legal Authority - Enter statute or other legal authority for the special fund.

Appropriation Account Number(s) - Enter Department of Accounting and General Services, Financial Accounting and Management Information System (DAGS/FAMIS) appropriation account number.

Expenditures for Special Fund (E) - Enter actual/projected expenditures rounded to the nearest dollar for each year.

Object Codes – enter DAGS object code for each type of administrative expense directly paid by each special fund that is being deducted from the special fund's total expenses.

Admin Exp Direct Paid by Fund - Enter estimated/actual amounts for each type of administrative expense directly paid by each special fund, which is being deducted from the special fund's total expenses.

Total Deductions (D) - Enter column totals by fiscal periods.

Net Expenditures (N) – Subtract total deductions (D) from expenditures for special fund.

Total Department Admin Expenditures (B) – Enter total expenditures for the department.

Dept. Admin Expense Rate (R) – Divide total departmental administrative expenditures (A) by total department expenditures (B).

Administrative Assessment – Multiply net expenditures for special fund (N) by departmental administrative expense rate (R).

Example: Expenditures for special fund = 1000

Admin expenditures direct paid by special fund = 100, Net expenditures = 900

Total Department admin expenditures = 2000

Total Department expenditures = 100000

Dept. admin expense rate = $2000/100000 = .02$

Admin Assessment = $900 \times .02 = 18$
